

# Step up to A-level (Maths, Physics and Further Maths) Summer school

**When:** 14<sup>th</sup> to 18<sup>th</sup> July 2025

**Where:** King's College London  
Strand Campus

Are you a year 11 student planning to take maths and physics in your senior year? Providing you with an insight of the type of assignments you could expect at the sixth form level is the aim of the KCLMS community's Step Up to A Levels. Over the course of five days, the enigmas of arithmetic, physics, and advanced math will be unravelled.
